The Boston Prostate Cancer Walk's mission is to benefit prostate cancer research in Massachusetts and to prevent advanced prostate cancer through education and early detection. Its goals are to raise money for research for the treatment and cure of prostate cancer and to increase the awareness of prostate cancer.

The Boston Prostate Cancer Walk is affiliated with the Longwood Medical Area Prostate Cancer Support Group. The public is welcome to attend the free monthly meetings. For more information, call 617-625-4875.
